Student Job (f/m/x) – Conversational AI (20-25 hours/ week)

Raiffeisen Bank International (RBI) is one of the leading banking groups in Austria and Central and Eastern Europe, providing a comprehensive range of products and services to its customers. As part of our ongoing growth, we are looking for a Student Support for Conversational AI to join our dynamic team in Vienna as soon as possible.

As a Student Support for Conversational AI, you will work closely with our AI team and other stakeholders to develop and improve our conversational AI solutions that provide a seamless and personalized experience for our customers. You will have the opportunity to gain hands-on experience with cutting-edge AI technologies, including chatbots, voice assistants, and natural language processing (NLP), and contribute to the development of innovative solutions that meet the needs of our customers.

#start as soon
as possible#part-time
(20-25h / week)

#viennaoffice

These tasks are waiting for you

- Assist in the development and maintenance of conversational AI solutions, such as chatbots and voice assistants, using tools and platforms such as Rasa, Bert, GPT and alike
- Help to test and evaluate conversational AI solutions to ensure that they meet the quality and performance standards set by the AI team
- Conduct research on Conversational AI and NLP techniques and best practices to improve the accuracy and effectiveness of our conversational AI solutions and share the knowledge

This job is made for you, if...

- you are currently enrolled in a Bachelor's or Master's degree program in Computer Science, Artificial Intelligence, or a related field
- you are passionate about AI and its applications in the banking industry, especially in the area of conversational AI
- you are familiar with programming languages such as Python or JavaScript
- you have excellent communication skills and the ability to collaborate with technical and non-technical stakeholders
- you are fluent in English, both written and spoken

What's in it for you?

- **Work & Study:** gain experience in the international banking environment & boost the balance of your bank account
- **Flexibility:** adapt your working hours to your university schedule
- **Onboarding:** enjoy an easy start - a buddy from your team will take you along
- **Community:** network internally with other students
- **Canteen:** healthy, tasty, and heavily subsidized
- **Corporate Benefits:** shopping vouchers from the staffs' council (eg. supermarkets), free museum tickets, attractive sports offers, reduced fitness center membership, free public transport pass etc.
- We pay an attractive monthly student salary of gross **EUR 2,263.06** (on a basis of 38.5 hours)
